1:1 Student Device Parent/Guardian Acknowledgement

To receive a device, students and parents/guardians must understand and comply with the following:

- This device is not my personal property, but the sole property of the Volusia County School District. As such, VCS has the right to monitor my activity and/or retrieve this device at any time.
- The intended sole use of the device is for educational purposes. All use of the device must abide by the VCS *Student Code of Conduct*, the *1:1 Student/Parent Handbook*, and is subject to School Board Policy 518.
- I will bring my assigned device to school every day with a fully charged battery.
- If the device is damaged and/or not working properly, I will report it to my teacher, school administrator or other school personnel within 24 hours.
- If the device is stolen, I will file a police report within 24 hours and provide a hard copy of the police report to the school within 24 hours of filing the police report.
- I must return the device to the school at the end of the school year or if I withdraw for any reason, including transferring to another Volusia school.

DEVICE DAMAGES & INSURANCE: Accidents happen! If a student damages or loses his/her device or charging cord, a standard fee will be charged to the family. VCS strongly recommends that families purchase annual device insurance for \$30/student to reduce the cost of fines assessed for a damaged/lost device. Families eligible for income-based services are automatically covered. Review the cost savings in the table below:

Fee Structure for Damaged/Lost VCS Devices

<i>WITHOUT VCS Insurance Coverage</i>		<i>WITH VCS Insurance Coverage*</i>	
<i>Cost of replacing a charging cord is \$25</i>		<i>Cost of replacing a charging cord is \$25</i>

DEVICE INSURANCE: Requires all families to set up a VCS Parent Portal account. An **invoice of \$30** per student will appear in the Purchase & Pay tab inside the Parent Portal. Families opting for insurance coverage will have 30 days to pay after the first day of school or from enrollment date, whichever is last. Invoice is paid online with credit card or bring cash or check to the school. There is no obligation to pay for this optional coverage.
